

**REMARKS**

Further to the Amendment filed on September 16, 2010, which has been entered as indicated in the Advisory Action mailed September 30, 2010, this Supplemental Amendment is being filed to correct clerical errors in the claims of the Amendment. Specifically, the claims are amended herein to properly reflect the previous version of the claims as submitted on December 15, 2009.

Additionally, claim 1 recites that the thickness of the double-sided pressure-sensitive adhesive tape is from 10 to 50  $\mu\text{m}$  as in the Amendment filed September 16, 2010.

Entry of the Supplemental Amendment is deemed proper in view of its editorial and corrective nature.

In view of the above, reconsideration and allowance of this application are now believed to be in order, and such actions are hereby solicited. If any points remain in issue which the Examiner feels may be best resolved through a personal or telephone interview, the Examiner is kindly requested to contact the undersigned at the telephone number listed below.

The USPTO is directed and authorized to charge all required fees, except for the Issue Fee and the Publication Fee, to Deposit Account No. 19-4880. Please also credit any overpayments to said Deposit Account.

Respectfully submitted,
